

Release Notes PrimePortal 4.2

This release contains new and enhanced functionality.

GENERATE REPORT

Now it's possible to generate #define4 reports from PrimePortal.

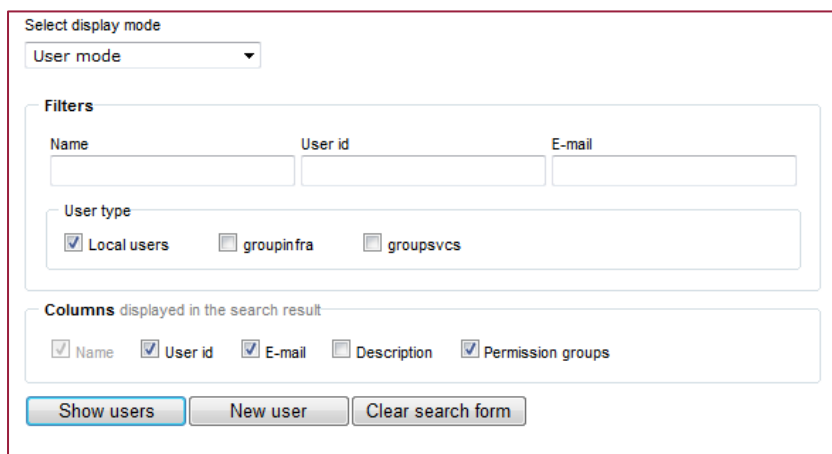

This new functionality comes with a lot of configuration possibilities. Contact support to order a report or to get more information.

COLUMNS SELECTION IN USER ADMIN MODULE

It's now possible to choose what columns to show in the search result in user admin module.

The layout has been enhanced as well.

PRIMEPORTAL 4.2

GENERATE REPORT

COLUMNS SELECTION IN USER ADMIN MODULE

ENHANCED TICKET LAYOUT

MAXIMIZE COMPONENT

#DEFINE4 MIGRATION PROJECT

EXAMPLES OF NEW PORTALS

- Swedavia – Sweden
- Aegon – United Kingdom
- SSE – United Kingdom

Lars Fransson
lars.fransson@logica.com

ENHANCED TICKET LAYOUT

The ticket layout has been enhanced with more space in margins and between fields. More focus has been brought to the content by toning down other GUI parts and using more discrete buttons when appropriate.

MAXIMIZE COMPONENT

For both the new Ticket and File Archive components (against #define 4), a new maximize functionality is introduced. Click the "Maximize" button in the top right corner of the component to expand it to full browser size. This brings focus to the content and allows users to utilize the full screen width.

#DEFINE4 MIGRATION PROJECT

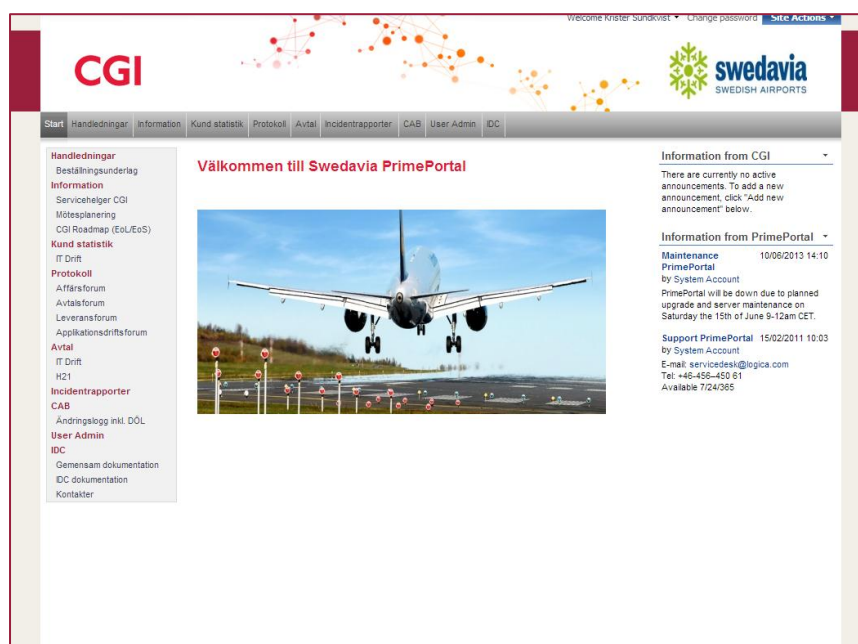

During this year all #define3 projects will be migrated to #define4. Portals that have #define3 integrations will be upgraded.

You can read more about this project [here](#).

EXAMPLES OF NEW PORTALS

During this release period we have setup new portals for new or existing Logica clients. Below are some examples.

Swedavia – Sweden

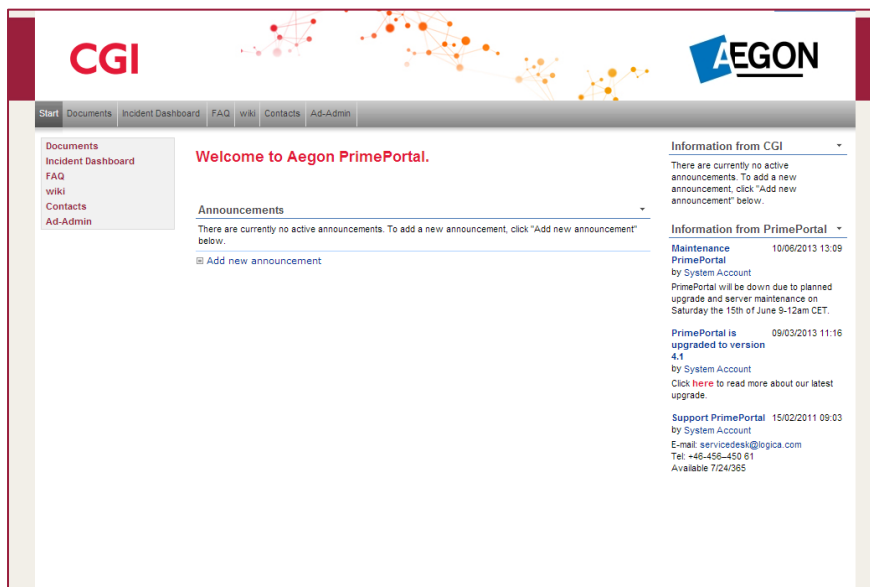

The screenshot shows the Swedavia PrimePortal interface. At the top, there is a navigation bar with the CGI logo on the left and the Swedavia logo (SWEDISH AIRPORTS) on the right. Below the navigation bar is a menu with items: Start, Handledningar, Information, Kund statistik, Protokoll, Avtal, Incidentrapporter, CAB, User Admin, and IDC. The main content area is titled "Välkommen till Swedavia PrimePortal" and features a large image of an airplane on a runway. To the right of the main content, there are sections for "Information from CGI" and "Information from PrimePortal". The "Information from PrimePortal" section includes a "Maintenance" announcement dated 10/06/2013 14:10, stating that the PrimePortal will be down due to planned upgrade and server maintenance on Saturday the 15th of June 9-12am CET. Below this, there is a "Support PrimePortal" section dated 15/02/2011 10:03, listing contact information for the System Account: E-mail: servicedesk@logica.com, Tel: +46-456-450 61, and Available 7/24/365.

ABOUT CGI

At CGI, we're committed to helping all of our stakeholders succeed. Our 71,000 professionals in 40 countries provide end-to-end IT and business process services that facilitate the ongoing evolution of our clients' businesses. CGI is committed to helping our clients achieve their business goals; to providing our professionals with rewarding careers; and to offering shareholders superior returns over time. At CGI, we are in the business of delivering results.

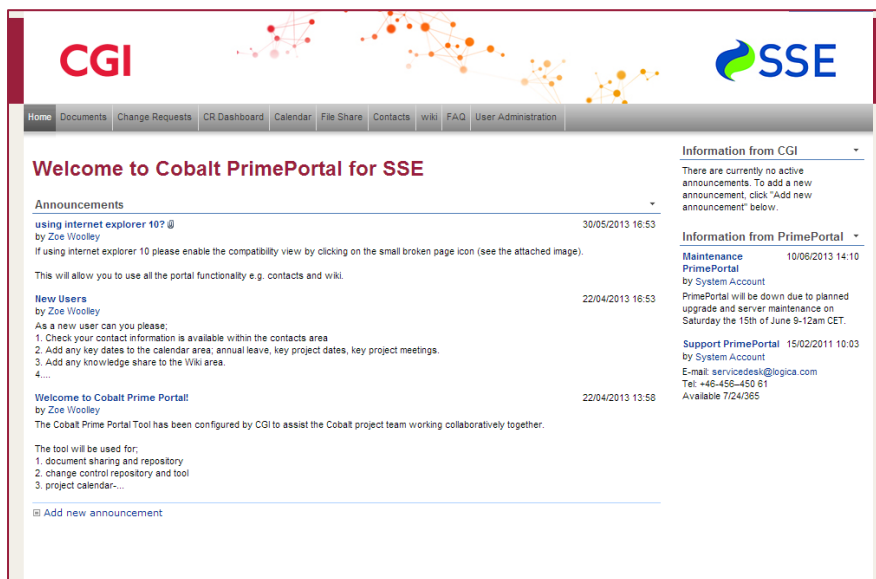

For more information about CGI, visit www.cgi.com or email us at info@cgi.com.

Aegon – United Kingdom

The screenshot shows the Aegon PrimePortal interface. At the top left is the CGI logo, and at the top right is the Aegon logo. Below the logos is a navigation bar with links: Start, Documents, Incident Dashboard, FAQ, Wiki, Contacts, and Ad-Admin. A left-hand menu contains links for Documents, Incident Dashboard, FAQ, Wiki, Contacts, and Ad-Admin. The main content area features a 'Welcome to Aegon PrimePortal.' message, an 'Announcements' section with a link to 'Add new announcement', and an 'Information from CGI' section. The 'Information from CGI' section contains two entries: 'Maintenance' dated 10/06/2013 13:09 and 'PrimePortal is upgraded to version 4.1' dated 09/03/2013 11:16. A 'Support PrimePortal' section at the bottom right provides contact information: 15/02/2011 09:03, System Account, E-mail: servicedesk@logica.com, Tel: +46-456-450 81, and Available 7/24/365.

SSE – United Kingdom

The screenshot shows the SSE Cobalt PrimePortal interface. At the top left is the CGI logo, and at the top right is the SSE logo. Below the logos is a navigation bar with links: Home, Documents, Change Requests, CR Dashboard, Calendar, File Share, Contacts, Wiki, FAQ, and User Administration. A left-hand menu contains links for Home, Documents, Change Requests, CR Dashboard, Calendar, File Share, Contacts, Wiki, FAQ, and User Administration. The main content area features a 'Welcome to Cobalt PrimePortal for SSE' message, an 'Announcements' section with three entries: 'using internet explorer 10?', 'New Users', and 'Welcome to Cobalt Prime Portal!'. The 'Announcements' section includes a link to 'Add new announcement'. The 'Information from CGI' section contains two entries: 'Maintenance' dated 10/06/2013 14:10 and 'Support PrimePortal' dated 15/02/2011 10:03. The 'Support PrimePortal' section provides contact information: 15/02/2011 10:03, System Account, E-mail: servicedesk@logica.com, Tel: +46-456-450 81, and Available 7/24/365.
